

Daniel Marszalek, PharmD

(773) 816-2061 | danmarszalek@gmail.com | Chicago, IL

PROFESSIONAL SUMMARY

Multi-state licensed clinical telepharmacist with 7+ years of experience providing remote order verification and clinical support across diverse acute-care hospital systems. Skilled in adapting to site-specific formularies, protocols, order sets, and workflows; onboarding new hospital clients; and advising providers on antimicrobial therapy, anticoagulation, renal dosing, and pharmacokinetics. Recognized for accuracy, operational adaptability, and effective collaboration across multidisciplinary teams.

KEY SKILLS

- Remote Order Entry (ROE)
- Clinical Decision Support
- Antimicrobial Stewardship
- Hospital Client Onboarding
- Medication Therapy Management (MTM)
- Pharmacokinetics and Dosing Optimization
- Interdisciplinary Team Collaboration
- Regulatory and Policy Compliance

WORK EXPERIENCE

PRN Clinical Pharmacist | CommonSpirit Health | Remote | 2025-Present

- Provide PRN remote order verification and clinical pharmacy coverage across two operational teams supporting multiple hospitals.
- Apply site-specific formularies, protocols, order sets, and medication-use policies across diverse hospital workflows.
- Resolve medication-order issues and communicate evidence-based recommendations to pharmacists, nurses, and prescribers.

Clinical Telepharmacist III | PipelineRx | Remote | 2021-Present

- Support multi-hospital systems through high-accuracy remote order verification, clinical review, and workflow optimization.
- Lead onboarding and operational implementation for new hospital clients, integrating site-specific policies, formularies, protocols, and workflows.
- Train and mentor newly hired pharmacists in clinical protocols and advanced software use.
- Consult with providers on antimicrobial therapy, anticoagulation management, renal dosing, pharmacokinetics, and specialty medication use.
- Deliver real-time system troubleshooting and evidence-based recommendations that improve medication safety and operational performance.

Clinical Pharmacist | Comprehensive Pharmacy Services | Remote | 2019-2021

- Performed remote order entry and CPOE verification and advised physicians, nurses, and allied health professionals on evidence-based pharmacotherapy.
- Provided pharmacokinetic dosing services and completed medication reconciliation for newly admitted patients.
- Supervised overnight clinical operations, providing leadership and rapid decision-making support.

Teaching Assistant and Embedded Tutor in Organic and Biochemistry | Wilbur Wright College | Chicago, IL | 2012-2019

Computer Support Specialist | Swissport Air Cargo | Chicago, IL | 2010-2011
